Reports.

EDUCATION.

Your Board is pleased to report a gratifying and satisfactory condition of this great work of the church, and refer with pride to the fact that never before in the history of our church has there been such intelligent interest and loyal devotion to our educational institutions. We are gratified also to state that under the wise policy and management of our General Board and the co-operation of our church schools, a grade of work is being done that commends these institutions to the favorable consideration of thoughtful people everywhere.

Vanderbilt University.

We are gratified with the great work being done by our University and commend it to our people as an institution worthy of our patronage, our prayers and our support. We would especially commend the Correspondence School and again urge our under-graduates to avail themselves of the valuable help it affords in prosecuting their studies. We recommend for your adoption the following paper with reference to the Vanderbilt University:

Whereas, The North Mississippi Conference of the Methodist Episcopal Church, South, in its annual session held at Grenada, December 6-11, 1905, memorialized the General Conference of 1906 as follows:

“Whereas, The North Mississippi Conference was a member of the original union which organized and promoted the Central University of the M. E. Church, South, now Vanderbilt University; and

“Whereas, The participation of this Conference in said movement could not have been secured upon any other hypothesis than that the University was to be the property of the Church and forever under its control; be it, therefore,

“Resolved, That we memorialize the General Conference of 1906 to take such action as will perfect this understanding and establish the Church's ownership and control.

“Resolved, further, That in the proposed revision or amendment of the Charter of Vanderbilt University, we deem it essential that our active Bishops maintain the relation to the University secured to them under Article 9 in the plan originally drawn up by Bishop McTyeire, which article is as follows:

‘That the Bishops of the Methodist Episcopal Church, South, be

and hereby are requested to act as a Board of Supervisors of the University, or any of its departments, and jointly with the Board of Trust, to elect officers and professors, and prescribe the course of study and the plan of government.'

And we so memorialize the General Conference;'' and

Whereas, The General Conference of the Methodist Episcopal Church, South, in its quadrennial session held at Birmingham during May, 1906, in response thereto appointed a commission:

“(1) To inquire into and determine the present relation of the Vanderbilt University to the Methodist Episcopal Church, South; (2) to take legal steps, if necessary, to perfect the transfer of the University from the patronizing Conferences to the General Conference of the Methodist Episcopal Church, South, to define the charter rights of the Bishops of the Methodist Episcopal Church, South, and, when so defined, the Bishops are instructed to enter on the same;’’ and

Whereas, this Commission, in its report, has set forth clearly and unanswerably that the existing charter is constitutional, valid, and valuable; that Vanderbilt University is the property of the Methodist Church, South; that the right to elect Trustees rests in the hands of the General Conference; that the College of Bishops of the Methodist Episcopal Church, South, are common law visitors of the University; and

Whereas, it is the bounden duty and should be the pleasure of all concerned to accept this report in letter and in spirit; and

Whereas, by resolution prior to the General Conference of the Methodist Episcopal Church, South, of 1898, this Conference memorialized the General Conference to take over the charge of the responsibility of Vanderbilt University; and

Whereas, the said General Conference has agreed to do so and has done so, which has been approved by the assent of this Conference; now, to confirm the original purpose of this Conference and to unify the title in the General Conference of the Methodist Episcopal Church, South, be it

Resolved, That this Conference do now cede and there are hereby ceded, to the General Conference of the Methodist Episcopal Church, South, all rights, privileges, and authority which this Conference had as a member of the corporation known as Vanderbilt University.

Scarritt Bible and Training School.

We rejoice in the prosperity of the Scarritt Bible and Training School, and heartily commend it to our people as offering exceptional advantages for the training of our young women as Christian workers and missionaries.

Millsaps College.

We are able to bring you a most gratifying report concerning the work of Millsaps College. It is now enjoying such prosperity as it has not hitherto known. Two hundred and eighty students have been en-

rolled this session, twenty-one of these being young men preparing for the ministry, and thirty-five are the sons of our preachers. Of the ministerial students, seven are from the territory embraced in this Conference.

On the 26th day of October last, the new library building was formally dedicated. This adds about \$40,000 to our equipment and greatly enlarges the facilities for thorough work and wide research.

One year ago, Rev. T. W. Lewis was appointed Commissioner of Education for the College. He was charged with the special work of increasing the endowment, Major Millsaps having promised to duplicate all amounts collected. He reports having raised, in cash and subscription, about \$30,000.00, which, added to the amount previously subscribed, makes a total of \$44,250.00. This will guarantee to us, \$100,000.00 additional endowment. The Board would most respectfully ask that he be re-appointed, such action being urged by the President of the school and by Major Millsaps. This appointment is necessary to conserve the good work already done and to further enlarge the productive endowment of the school.

Grenada College.

Grenada College, under the wise management of its Board of Trustees, and its capable President, is entrenching itself in the thought and affections of our young women and commending itself to all our people as an institution of great importance in training and developing the faculties of the girls of our Methodism for God. We are glad to say the school is in a prosperous condition, having the largest enrollment in its history. We recommend for election as Trustees, the following: For re-election, Rev. S. M. Thames, Rev. W. T. J. Sullivan, and J. R. Bingham. Rev. J. H. Felts to succeed Rev. J. A. Bowen, transferred; and S. T. Harkey, in place of J. H. Fraiser, resigned. We recommend the appointment of Rev. J. H. Mitchell as Agent for Grenada College.

MISSIONS.

There is no denying the regrettable fact that the reports to the treasurer of your Board of Missions show in many of our charges a meager interest in the extension of our Lord's kingdom. Of the 150 pastorates of our Conference, 65 have fallen behind their assessments, leaving a deficit of \$2066. This in the face of the Church having paid more than \$30,000 over the entire assessments. These reports show also a decrease of \$152 from last year for foreign missions. Fortunately the situation is in part retrieved by an increase of \$485 for domestic missions. While we are pleased with the increased number of charges paying in full, yet these figures are the occasion of the profoundest humiliation. They are an indictment not only of our faith, but also of our loyalty. Will we not awake from our stupor, hearing the call of God saying, "Awake, awake, put on thy strength, O Zion, put on thy beautiful garments, O Jerusalem, the Holy City?"

In order to remove our humiliation, our presiding elders, pastors and active laymen must preach a crusade of missions. We respectfully call attention of our presiding elders to Paragraph 362 of the discipline. We have reason to fear that all of these busy men, in the many cares upon them, do not obey this requirement of our law. Likewise, would we call the attention of our pastors to Paragraph 363.

We rejoice in the organization of our laymen in the Laymen's Movement. Surely it portends larger things for our Conference in the world's evangelization. The following officers were elected: F. A. Critz, Leader; Parham Williams, Secretary. We urge the presiding elders and preachers in charge to see that the Plan of Organization for the extension of this movement to districts and pastorates is duly observed, and we urge upon our laymen to unite in this great organization for the redemption of the world's uncounted millions. The great meeting to be held in Chattanooga in April, 1908, should have a large attendance from our Conference. In order to a fuller understanding of the movement, we suggest the circulation in each pastorate of the November issue of "Go Forward."

This year your Board has had under its care thirty-five missions, to

which it has made appropriations as follows:

Ellzey	\$100	Graves	\$150	Toccopola	\$100
Okolona Ct.	50	Ashland	100	Coffeetown	50
Winstonville	100	Corinth Ct.	200	Waterford	100

Blue Springs	100	Boyle	150	Tomnolen	50
Iuka Ct.	100	Randolph	100	Crenshaw	200

In response to what seemed a general demand, after much time spent in thought and prayer, your Board has deemed it wise to engage the entire time of one of our best men as Conference Missionary Evangelist. We therefore recommend the appointment of Rev. W. S. Lagrone to this office.

We solicit the co-operation of every pastor in a determined, persistent campaign for 25,000 subscriptions to "Go Forward." This charming missionary monthly should be in every home in our Church.

The Young People's Department, under the leadership of Rev. Ed. F. Cook, is doing a great work. Its growing number of Mission Study Classes, and its more thorough enlistment of Sunday School forces, commend its work to every lover of missions.

We offer the following resolutions:

"Resolved, That we request the Mississippi Annual Conference to unite with us in inviting the Parent Board of Missions to meet in some centrally located city of our State, and that we make this meeting the occasion of a great State Missionary Conference."

CHURCH EXTENSION.

This Board knows no better way of emphasizing the importance of Church Extension than to review briefly the history of the work since its organization and to point out the imperative demands that are made upon it at present. In the twenty-five years of its existence, the Board of Church Extension has given aid to 6637 churches, more than two-fifths of the entire number in our connection. More than half of the churches in North Mississippi have thus been aided. The disbursements of the Board, including donations and loans, amount to more than \$2,000,000. At present we have more than 3100 homeless congregations, 89 of which are in our own Conference.

During this session of the Board we have received applications for nearly twice as much money as we have at our disposal. Many of these applicants were in need of the full amount asked for, but we were able to pay but a part of the amounts desired. In view of the imperative need of Church Extension we urge our people to pay their assessments in full.

We caution brethren who contemplate building not to embarrass their congregations by going beyond their means to an unreasonable limit, expecting this Board to pay the deficit. Except in special cases justified by local conditions, the donations made by us are expected to open houses for worship free of debt. We again insist that all our churches be insured. It is the sense of this Board that one hour of each District Conference session should be devoted to the cause of Church Extension.

We have received no report from the Woman's Home Mission Society.

DISTRICT CONFERENCE RECORDS.

We have carefully examined the records submitted to us. Those of the Oxford and Winona Districts were not before us. We find that the records have been carefully and neatly kept. We especially commend the system of marginal and topical references employed by the secretary of the Durant District as a model.

Respectfully submitted.

SABBATH OBSERVANCE.

Obedience is the medium through which the grace of God comes to his faithful followers. His command is, "Remember the Sabbath day to keep it holy." God stands on holy ground and we must put off uncleanness in order to come into his presence.

The Lord's day is not an ordinary day and ought not to be infringed upon by the doing of any work that cannot be done in His name and for the advancement of His kingdom. To prescribe a line of conduct specific in detail as to what may be done without transgressing the command would necessarily be Pharisaical, since what is true of one vocation or of one locality is not true of another. However, this is true and

practicable everywhere: no work of any kind should be performed on this day for gain. All men should have a reverential regard for the day, since it is the Lord's. Work necessary for the welfare of mankind or to the spread of the gospel should be allowed—such as going to and from appointments to preach and teach the gospel, journeys or travels that embrace the Sabbath without the design of the traveler, and the transportation of interstate commerce. The Savior and his disciples went a Sabbath day's journey on the Lord's business and we also may perform the work of His kingdom on Sunday.

We regard the purchase of reduced rate railway tickets on Sunday for the gain of such discount as sinful. Sunday excursions for the fun of the thing are a sin and should be forbidden by law.

(Signed)

A. S. YARBROUGH, Chairman.

HOSPITAL.

Your committee having carefully considered certain documents relative to a proposed Methodist Hospital, respectfully recommend that the Conference adopt the recommendations of the Commissioners as follows:

1. That you endorse the proposal to erect at the place considered most eligible a Methodist Hospital to cost, when completed, not less than \$200,000, and pledge to the enterprise your hearty co-operation.

2. That you accept the resignation of your commissioners, which is hereby tendered, and elect in lieu thereof two trustees, one minister and one layman, who shall have full power to represent you in locating, establishing and equipping the proposed hospital, who shall hold office for one year, and who shall make a full report of the proceedings of their meetings to you at your next annual session.

3. That through your Secretary you invite your Conference Woman's Home Mission Society also to elect one trustee, who shall represent that organization, and who shall have the same powers and hold for the same length of term as the Annual Conference trustees.

4. That in order to provide a small sum to meet the initial expenses of the movement you levy, through your Joint Board of Finance, an assessment of \$125 and urge its immediate collection. Such an assessment would scarcely be felt, yet it would greatly aid in launching the enterprise.

5. That the Presiding Elders and Woman's Home Mission Societies of the Conference be requested to co-operate with the Board of Hospital Trustees in providing money to pay the expenses of said Board and in the building and maintenance of said institution.

We recommend that the Rev. R. A. Meek and Mr. J. H. Sherard be appointed Trustees in accordance with the foregoing; and they shall have authority to confer with other Conferences in contiguous territory, which includes the North Alabama Conference, whose recent action has been referred to us, with reference to obtaining their co-operation in this movement, which is hereby invited.

EPWORTH LEAGUE REPORT.

The Epworth League Board, as it closes the first year's work of the quadrennium, is gratified at the increased interest that is being manifested. We have a board composed of men who are deeply interested in the work and we have planned largely and we trust wisely for the future. We deem the Anniversary of the Board at this Conference a great uplift to the League cause, and we believe that it will mean much for the advanced step we expect to make in the future. We are grateful for the presence of Rev. H. M. DuBose, D.D., for the message he gave at our Anniversary, and for the healthy condition in which he reports the League throughout the connection. Our Board has levied an assessment of five cents per capita upon the Leagues throughout the Conference for the purpose of helping to further the League work. The Board is planning to get out soon a directory of the Leagues in the Conference, giving such information as will be helpful to the Leaguers. Believing that the cause in our Conference will be greatly strengthened by perfect organization, we have planned for a League Conference to be held in Winona in June next. We urge the Leagues to send delegates to this Conference. We feel that nothing is so important for the healthy condition of the League as the Mission Study Class, and we urge the organization of Study Classes in all Leagues. There has been an increase of thirteen Leagues in the Conference this year and a growth in the membership of about two hundred.

Feeling that there is nothing that so develops and trains the young people for Christian service as the opportunity afforded in the Epworth League, we earnestly insist on the organization of a League wherever as many as eight or ten can be enlisted in the work.

We recommend that the Epworth Era be placed in the hands of our young people for information concerning the young people's movement in our Church. We deem this equal to any of the higher priced young people's papers and the best young people's paper published in the South.

We recommend that our pastors insist upon the keeping of the "Morning Watch" or "Quiet Hour" by the Leaguers and recommend the "Quiet Hour" quarterly as a help.

We ask the hearty co-operation of the pastors throughout the Conference in the advanced move that the Board is planning to make.

ORPHANS' HOME.

Rev. W. M. Williams took charge December 20, 1906. At that time there were in the Home 115 children and 43 have been admitted since, 59 have gone out, leaving 99 in the Home. There are four girls in College, who are supported by friends. There is one boy at Millsaps College. We have three teachers in the school, which has 99 enrolled, with an average attendance of 78. The teachers are paid out of public

school funds during the public school term. The majority of the children are making good progress in their school work. The moral condition of the Home is very good. Seventy of the children are members of the church, forty-eight of whom have joined this year. We have put the following improvements in this year:

Laundry building and machinery.....	\$2260 25
Barn	450 00
Partition in school room.....	108 00
Fire escapes	613 33
Screening the building	170 00
Furnishing rooms and hospital, bath, water connection.....	415 00
For minor improvements	204 40

Making a total of.....\$4220 98

In addition to this we have purchased the furniture for the library with \$500 donated by R. W. Jones, Jr., of New York City, son of Dr. R. W. Jones, our beloved brother and a former member of this board. We take pleasure in extending our thanks and expressing our gratitude to this brother for his generous gift.

On hand December 20, 1906.....	\$ 445 82
Receipts to December 1, 1907.....	11,811 48

Total	\$12,257 30
Disbursements, to December 1, 1907.....	\$12,133 97

Balance on hand \$123 33

There is yet due on the laundry \$452.82. Bro. Williams, like some of his predecessors, has had to contend with an epidemic during the year. A large number of the children had typhoid fever, and four of them died. Too much cannot be said in favor of Brother Williams and his good wife for the manner in which they have conducted the Home under the trying circumstances. We ask that Rev. W. M. Williams be reappointed Manager of the Home.

We desire to express our appreciation of the special services of the physicians and others in the city of Jackson.

The terms of office of Rev. J. A. Bowen and J. B. Streater expire at this Conference and we recommend that you elect their successors.

Respectfully submitted,

(Signed)

J. H. SHERARD, President,

J. B. STREATER, Secretary.

SUNDAY SCHOOLS.

A competent authority states that "eighty per cent. of the members of the Church are received from the Sunday School. This means not only that they will lengthen the roll, but that they will determine the character, intelligence, and work of the Church. It is, therefore, vitally

important that close, constant, and competent attention be given this work." "Every child starts life as God's child, but God must be revealed to him, in part, just as earthly parenthood must be, by external means. Child nurture in religion, is true child evangelism." The scepter that shall sway the future of God's kingdom is clasped by baby hands. One of the greatest influences exerted upon child life, outside of the home, is the Sunday School, and the life of the Sunday School is the Superintendent.

Your Board recommends that we co-operate with the Board of the Mississippi Conference in holding a joint Superintendents' Institute at some central place and convenient time during the coming year, and that \$175 be appropriated to defray the expenses of this Institute. We authorize R. P. Neblett, our Sunday School Agent, to purchase a Superintendents' and Teachers' Library, whose volumes may be had of the Agent for thirty days for the mere cost of postage.

We further recommend that \$50 be appropriated for needy schools; \$25 for printing 250 copies of the Year Book; \$100 for Children's Day programs; and \$50 for clerical expenses.

We note with pleasure the continued improvement of all our literature. We heartily commend the publication of the two new periodicals, "The Primary Teacher" and the "Adult Student." The Visitor is one of the most important papers published by the Church and we urge our preachers and superintendents to place it in every home connected with our Church.

LAYMAN'S MISSIONARY MOVEMENT.

With a view to organizing the laymen of our Church into a separate and distinct body of missionary workers, representative men of our

connection met recently in Knoxville, Tenn., and elected J. R. Pepper, Leader; G. W. Cain, Secretary; and W. W. Pinson, Assistant Secretary. By previous arrangement, the laymen of the North Mississippi Conference met in the basement of the First Methodist Church, in Columbus, December 5, 1907, for the further promotion of this movement and for the mobilization of its forces. After brief remarks, W. W. Woollard, President of the Board of Missions, introduced Judge F. A. Critz, one of the appointees to the Knoxville Conference, as chairman of the meeting. The chairman presented Rev. W. W. Pinson, who stated the purpose and probable result of the meeting with enthusiastic words, and eloquently urged upon our people the importance of the opportunity now presented for their acceptance. Judge Critz followed in a strong speech, urging immediate action. On motion, F. A. Critz was elected permanent leader and Parham Williams Secretary.

The following laymen were, on motion, chosen as leaders for their respective districts:

Aberdeen, G. J. Leftwich, Aberdeen; Columbus, W. V. Connell, Mayhew; Corinth, G. L. Jones, New Albany; Durant, J. G. Hamilton, Durant; Greenville, J. H. Sherard, Sherard; Oxford, J. M. Wyatt, Oxford; Sardis, A. S. Yarbrough, Como; Winona, J. R. Bingham, Carrollton.

The presiding elders were invited to assist the Board of Missions in selecting delegates to the meeting to be held in Chattanooga in 1908, choosing ten delegates from each district.

FRANK A. CRITZ, Leader.

PARHAM WILLIAMS, Secretary.

SPIRITUAL INTERESTS.

A vital and vigorous spirituality is a condition of prime importance to the Church of our Lord. Without this all else is little more than a vain and gaudy show, but with it all other desirable conditions will soon and surely follow. That which chiefly differentiates Christianity from the false religions of the world, is the supernatural uplifting and transforming the natural; the divine infused into, cleansing and vitalizing the human. The spirituality is largely the light of divine truth and the power of divine love so blended in character that they completely dominate and direct the life for God.

It is the God-given mission of Methodism to produce and promote such spiritual life. Possibly other ecclesiastical bodies may grow and flourish without great spiritual power, but let Methodism lose her spirituality and her Ichabod will be written. In this worldly and wealthy generation, this secular and strenuous age, we are beset with manifold temptations to depart from the simple path of faith and love trodden by our fathers. It is to be feared that often an unholy ambition to excel in temporal things only—to have the finest church edifice, the ablest minister, the largest membership—has wrought incalculable harm to the spiritual life of the Church.

It is gratifying indeed to note in the reports of the preachers the abundant evidence that this has been a year of great spiritual progress. Most of our charges have been visited with gracious revivals. It is believed that there have been more than 6000 conversions in our bounds during the year, and there has been a net gain in our membership of nearly 3500. "The best of all is, God is with us!" "The Lord hath done great things for us, whereof we are glad." Let us "thank God and take courage." As we shall return to our charges or go to our new fields of labor, let us all consecrate ourselves afresh and earnestly pray for the continued presence and blessing of the Lord.

W. G. BURKS, for the Committee.

MEMOIR.

. J. D. CAMERON, D.D.

James Daniel Cameron was born in Tuscaloosa County, Alabama, September 26, 1834; was converted in 1847 at Hog Branch Camp Ground; was educated in Centenary Institute; was licensed to preach in 1854; was admitted on trial into the Alabama Conference in 1856; was ordained deacon in 1858 and elder in 1860. By a change in boundaries he became successively a member of the Mobile and North Mississippi Conferences. In 1858, he was married to Miss Liffie Price, who faithfully shared with him the toils, privations and blessings of his itinerant life, a companion and comrade to the end of the journey. She, with three daughters and one son, survive to mourn the loss of the faithful husband and loving father.

Brother Cameron was a symmetrical and well-rounded man, affable, and genial, his wit, humor, and ready repartee making him a desirable companion. His religious life was grounded in a strong faith in a personal, present, living Savior from whom he never turned aside. The Gospel ministry was to him a "loved employ." He was faithful to his vows as a minister and prompt in meeting the obligations of his high calling. His sermons were carefully prepared and delivered with fervid zeal in a manner peculiar to himself. He set forth the truth with remarkable accuracy and clearness. He was deeply conscious of his opportunity in preaching, and, as his theme unfolded, his body responded to his thoughts and his splendid physique seemed tremulous with spiritual power and his strong face radiant with spiritual light. His favorite subject was "The Holy Life," and the sermon was a part of himself.

He filled many important charges, serving on circuits, districts, and in stations. He was for a number of years a member of the Publishing Committee of the N. O. Christian Advocate. He was elected to the General Conference at Atlanta in 1878; to that at Richmond in 1886, and an alternate to Memphis in 1894. His booklet against dancing under the title of "Mary Singleton" was well received and pronounced worthy of a place in our Sunday School libraries. In every position to which he was called, he served with marked fidelity, and leaves the record of

a faithful and efficient laborer. For forty-nine years, he was in the effective ranks, an active, earnest minister of the Lord Jesus Christ, never missing an appointment without good cause, and never being absent from annual conference.

For a number of years he was President of the Mutual Aid Society of his Conference, through which Society many widows of deceased preachers received financial help. In 1885, he preached the Commencement Sermon for the Southern University at Greensboro, Ala., and was honored by that institution with the degree of Doctor of Divinity.

Dr. Cameron was given the superannuated relation at the Conference session of 1905. He was present at the session of 1906, but it was evident to all that the strong man was fast failing in his strength. He was soon stricken with paralysis, but joined heartily with his brethren in praising God before he lost the power of speech. His room was so filled with the divine influence that visitors felt as if in the very presence of God. He lived a holy life and died a triumphant's death. On the 4th day of January, 1907, he fell asleep. The laborer has been called to his heavenly reward. In sadness we miss his familiar face, his genial presence, and his brotherly association.

AMERICAN BIBLE SOCIETY.

The doors of the world are wide open and from every quarter comes the Macedonian cry, "Come over and help us!" It is the entrance of God's word that giveth light. One of the most effective means of filling the earth with the knowledge of God is to disseminate the Word. One of the chief agencies for this great work is the American Bible Society. In considerably less than half a century, it has published and distributed 80,000,000 copies of the Bible, or portions of the Bible, in more than one hundred languages.

The Society is not in any wise conducted for profit. It is only intended to pay expenses and it supplies Bibles at cost. At this time the Society is in urgent need of funds to enlarge its work and meet the increasing demands upon it, especially in the foreign mission fields. Bibles are furnished to the missions of all denominations free of cost.

On an assessment of \$1200, we have collected \$988. We recommend for the ensuing year an assessment of \$1200, to be apportioned to the several districts as follows:

Aberdeen, \$148; Columbus, \$158; Corinth, \$136; Durant, \$126; Greenville, \$155; Oxford, \$155; Sardis, \$160; Winona, \$162.

Resolved, That we will endeavor to pay the entire assessment next year.

J. E. THOMAS, President.

SUPERANNUATE HOMES.

The Columbus District Conference, in compliance with the resolution adopted by this Conference at its session at Grenada in 1905, elected a Board of Trustees for Homes for Superannuated Preachers. These trustees have purchased a home at Shuqualak, Miss., in which Brother J. D. Newsom, our oldest superannuate, and his wife, now reside.

The Durant District has likewise complied with said resolution and its trustees have purchased a home at Weir, Miss., at a cost of \$750, of which they have paid \$350. This is an excellent piece of property and is now ready for occupancy.

The other six districts have done nothing under the provisions of the resolution of 1905. We earnestly urge presiding elders of the districts that have taken no action in this matter to have trustees elected and take proper steps to have funds collected to build or purchase at least one superannuate home in each district.

FRANK A. CRITZ, for Commission.

PUBLISHING INTERESTS.

We recommend the reappointment of W. W. Woollard, J. T. Murrah, and W. T. J. Sullivan as Publishing Committee for the New Orleans Christian Advocate for the ensuing year.

The New Orleans Christian Advocate, our Conference organ, is indispensable to the development of the general interests of the Church in our bounds, and it ought to be in every Methodist home in our territory. It is ably and efficiently edited by Dr. John W. Boswell and is absolutely true to the doctrines and polity of Methodism. We trust the Publishing Committee will continue Dr. Boswell as editor.

The Christian Advocate, our general organ, has ever been held in high esteem and, as the property of the entire Church, it has first claim upon our loyalty and support. Under such intellectual giants as McFerrin, McTyeire, Summers, and Hoss, it became a mighty power set for the defense of Methodism and the leadership of her hosts. It is with pleasure that we record our esteem for its present editor, Rev. Dr. G. B. Winton. The charm of his pure English, the versatility of his mental accomplishments, and the gentleness and consideration of his bearing are most delightful. Believing in his devotion to the Lord Jesus Christ and His Church, we regret that he has felt moved to print a series of critical essays on the Scriptures which have given offense and have been the cause of stumbling to some of our people. In our judgment, the Methodist Quarterly Review is the proper forum in which to debate such subjects and the Christian Advocate should give its space to the news of the Church and to the support of the settled convictions of the Church on both theology and government.

Our Sunday School Literature is well adapted to our needs. Teachers and older members of our Sunday Schools may find in the Sunday School Magazine an abundance of help and inspiration. The best brains of the

Church contribute to its pages. The Quarterlies, Lesson Papers, and Our Little People are admirably adapted to the purposes for which they are prepared.

The Methodist Quarterly Review sustains the high reputation it has won as a great review. Its contributors are specialists in the departments in which they write, many of them being men of world-wide reputation. Its book reviews are safe, made by disinterested men of trained judgment. It has never been more ably edited than at present and the contributions of its editor rank among the best. We heartily commend it to all our preachers and thinking laymen and earnestly exhort our young brethren to give it a leading place in their book list.

Our Conference Colporter, Rev. G. W. Bachman, has sold books this year in the two Conferences of the State to the value of \$2864.59; and has secured subscriptions to church papers and Sunday School Literature to the amount of \$429.16, making a total of \$3293.75. We consider Brother Bachman the right man for this important place and recommend his reappointment.

TEMPERANCE.

The remarkable spread of the temperance movement in the United States is gratifying to its many friends. Over one-half of the Union is now under prohibition laws. The same public sentiment which has brought about this condition is gradually abolishing the "blind tiger" and other forms of illicit liquor traffic.

The accession of Georgia, Alabama, and Oklahoma, and the practical certainty of Mississippi coming into prohibition ranks at the next session of the legislature, mark great steps in the onward movement. The South particularly is blazing the way for the Union in this great moral movement. Idaho, Utah, Montana, Arizona, and New Mexico are the only States without any restriction save license.

This condition of affairs impels us to the belief that in the comparatively near future we shall have public opinion so developed as to finish this great moral work, which requires for its completion Federal as well as State aid. This aid can and will come only through a general public opinion.

We, therefore, recommend the following

Resolutions.

1. That we pledge ourselves to exert our influence in discouraging the use of intoxicants and in discountenancing the liquor traffic.
2. That we use our influence in creating a public sentiment in support of existing legal provisions of prohibition as well as for further enactment thereof.
3. That we request the legislature of Mississippi for 1908 to enact State statutory prohibition.
4. That we favor Federal legislation.

(a) Forbidding the issuance of license within prohibition territory, or making the records thereof accessible to State courts for evidence.

(b) Removing from the protection of interstate commerce provisions, liquors shipped into prohibition territory.
